I just got off the phone w/CAPT [Ex. 6 - Personal Privacy] EPA Region 4, KDEP, and ORSANCO have established a coordination cell at the ORSANCO offices in Cincinnati. We meet daily from 0800 hrs. to 1800 hrs. in an attempt to coordinate information flow among the 3 agencies. In the process, we are getting some information that we should share with USCG regarding the contaminant plume migration down river. See attached figure above, and please note the sensitive nature of the material, as given below.

LT [Ex. 6 - Personal Privacy] if you or anyone on your staff would like to come over to the ORSANCO offices to coordinate information or activities, please let me know. My cell number is [Ex. 6 - Personal Privacy]
